

Donate to the CFDA Scholarship Fund

The Colorado Funeral Directors Association has established the **CFDA Scholarship Fund** through the Arapahoe Community College Foundation to reward deserving students enrolled in Arapahoe Community College's Mortuary Science Program. Our association is committed to excellence in funeral service education. We believe that by recognizing those students who excel in pursuing a funeral service career, we help to ensure the bright future of our profession in Colorado.

The CFDA Scholarship Committee will evaluate all applications and the recipient will be chosen from all qualified applicants. The committee reserves the right not to make an award if there are no applications or if the applicants do not meet the predetermined criteria. Scholarships will be applied directly to the student's account at Arapahoe Community College.

Scholarship Options

Pledge Amount

National Board Examination Scholarships. Final year mortuary students must take the National Board Examination by August 31 to complete graduation requirements. This scholarship will cover the \$400 application fee that must be paid to the International Conference of Funeral Service Examining Boards, required to enroll for the NBE.
\$400 requested

\$ _____

Books/Materials Scholarships. This scholarship will provide financial assistance to students to cover costs for books and educational materials required for mortuary college.
