**Arriving for a Committal Service at
Fort Logan National Cemetery**

The above listed address is our mailing address. Our physical address, which should be used for attending a service, is 3698 S. Sheridan Blvd, Denver CO, 80235. We are approximately 2 blocks South on Sheridan from the intersection of Sheridan Blvd and Hampden Ave.

It is advisable to report for services 10 minutes prior to the scheduled start time. Late arrivals are at risk of missing the committal service, due to our busy schedule. For services scheduled at Shelter A (9am, 10, 11, 12pm, 1, 2, and 3), enter our North gate off South Sheridan Blvd, and take your first right onto Kansas St. Toward the end of the road, where you see the small signs referencing "A," you will simply pull to the curb and wait to be led to the service. For services at Shelter B (scheduled on the half hour), enter our North gate off South Sheridan Blvd, and take your second right onto Wyoming St. Toward the end of the road, where you see the small signs referencing "B," you will simply pull to the curb and wait to be led to the service. For services scheduled at Shelter C (on the quarter hour), enter our North gate off South Sheridan Blvd, and continue straight past your second right. Before reaching the next right turn, where you see the signs referencing "C," simply pull to the curb and wait to be led to the service.

If the family has scheduled a "No Service Witness," they will need to report to the Administrative Office, which is 4400 W Kenyon Ave, Denver, CO 80236. To get to the office, enter the gate near Mullen High School and take your first right. Up the hill, on the right side, you will park in the loop with the POW flagpole. If any issues or concerns should arise, a staff member can always be reached at (303)761-0117.

A handwritten signature in black ink that reads "Mat Williams".
